

1. Coursera Specialization *Software Design and Architecture*:

<https://www.coursera.org/specializations/architecting-google-kubernetes-engine>

The screenshot shows the Coursera interface for the 'Architecting with Google Kubernetes Engine Specialization'. At the top, there is a navigation bar with the Coursera logo, an 'Explore' dropdown, a search bar with the text 'What do you want to learn?', and links for 'Online Degrees', 'Find your New Career', 'For Enterprise', and 'For Universities'. Below the navigation bar, the page features a blue header with the breadcrumb 'Browse > Information Technology > Cloud Computing' and the text 'Offered By Google Cloud'. The main title is 'Architecting with Google Kubernetes Engine Specialization', followed by a star rating of 4.7 from 6,447 ratings and the 'Google Cloud Training' logo. A prominent white button says 'Enroll for Free Starts Mar 1'. To the right, a text box encourages users to 'Try for Free: Enroll to start your 7-day full access free trial' with a note that 'Financial aid available'. Below this, it states '50,882 already enrolled'. At the bottom of the blue section, there is a dark blue bar with the text 'Included with COURSERA PLUS Unlimited access to 7,000+ courses, Projects, Specializations, and Professional Certificates. Learn More'.

2. hinunter scrollen, bis die 4 Kurse angezeigt werden:

The screenshot displays a list of four courses from the specialization. Each course entry includes a 'COURSE' label, a large number (1-4), the course title, a star rating, the number of ratings, and a brief description. Course 1 is 'Google Cloud Fundamentals: Core Infrastructure' with a 4.7 rating from 46,643 ratings. Course 2 is 'Architecting with Google Kubernetes Engine: Foundations' with a 4.7 rating from 2,342 ratings. Course 3 is 'Architecting with Google Kubernetes Engine: Workloads' with a 4.7 rating from 1,196 ratings. Course 4 is 'Architecting with Google Kubernetes Engine: Production' with a 4.7 rating from 909 ratings. Each course entry also includes a 'SHOW ALL' link.

Course Number	Course Title	Rating	Number of Ratings
1	Google Cloud Fundamentals: Core Infrastructure	4.7	46,643
2	Architecting with Google Kubernetes Engine: Foundations	4.7	2,342
3	Architecting with Google Kubernetes Engine: Workloads	4.7	1,196
4	Architecting with Google Kubernetes Engine: Production	4.7	909

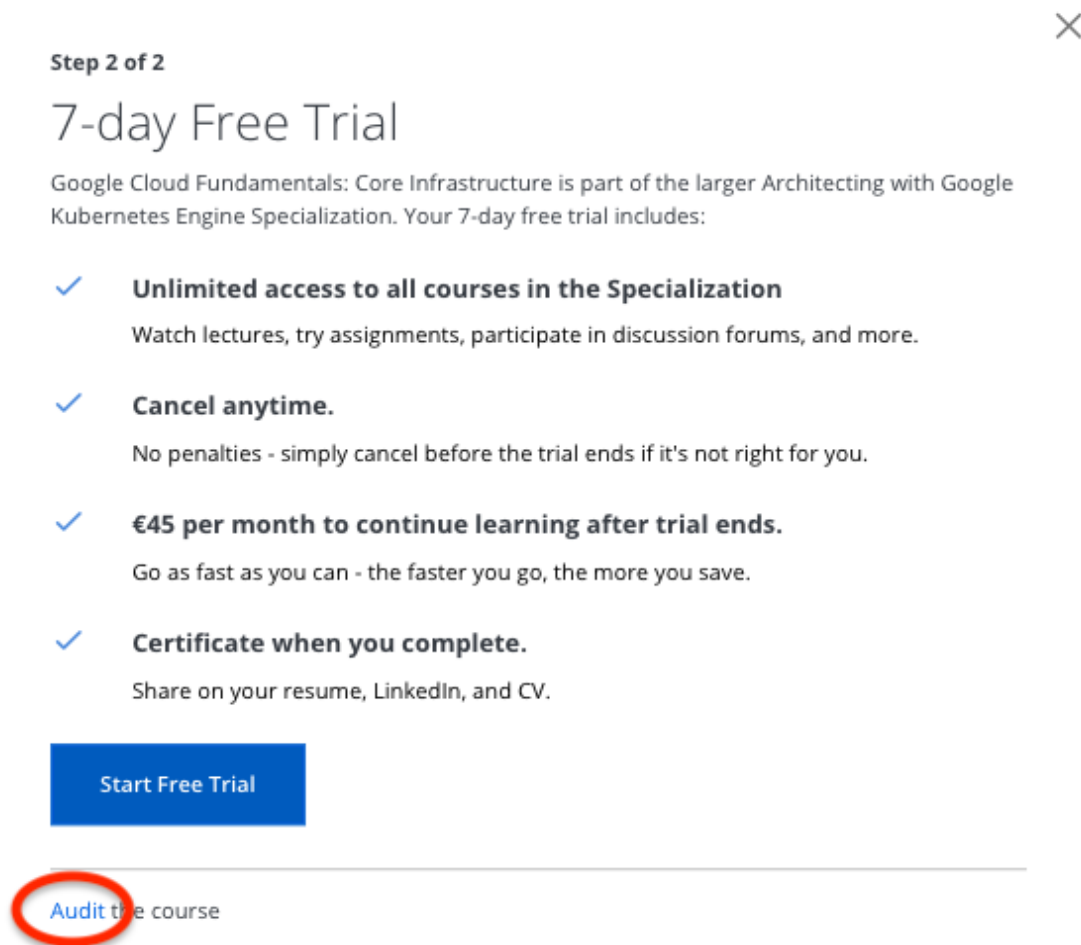

3. jeden der 4 Kurse einzeln auswählen; nachfolgend **gezeigt am Beispiel Google Cloud Fundamentals: Core Infrastructure (Kurs 1):**

The screenshot shows the Coursera course page for 'Google Cloud Fundamentals: Core Infrastructure'. The page features a blue header with the Coursera logo, an 'Explore' button, a search bar, and navigation links for 'Online Degrees', 'Find your New Career', 'For Enterprise', and 'For Universities'. The main content area is also blue and includes the course title, a breadcrumb trail 'Browse > Information Technology > Cloud Computing', and the text 'Offered By Google Cloud'. The course has a rating of 4.7 from 46,643 ratings and a 95% completion rate. A 'Google Cloud Training' logo is present. A white button says 'Enroll for Free Starts Mar 1'. To its right, text reads 'Try for Free: Enroll to start your 7-day full access free trial' with 'Financial aid available' below it. At the bottom, it states '659,312 already enrolled'. A dark blue footer contains the text 'Included with coursera plus Unlimited access to 7,000+ courses, Projects, Specializations, and Professional Certificates. Learn More'.

4. Auswahl welcher der Programme der Kurs zuzurechnen ist:

The screenshot shows a 'Step 1 of 2' selection screen titled 'Choose a program'. It includes a close button (X) in the top right. The text explains that the user is enrolling in 'Google Cloud Fundamentals: Core Infrastructure' and must select a program from a list. A dropdown menu is currently set to 'Architecting with Google Kubernetes Engine Specialization'. Below this, it states 'There are 4 courses in this program' and lists them: 'Course 1: Google Cloud Fundamentals: Core Infrastructure', 'Course 2: Architecting with Google Kubernetes Engine: Foundations', 'Course 3: Architecting with Google Kubernetes Engine: Workloads', and 'Course 4: Architecting with Google Kubernetes Engine: Production'. A blue 'Next' button is at the bottom.

5. *Enroll for Free* klicken. Dann wird folgender Dialog angezeigt, in dem 'Audit the course' (rot umrandet) ausgewählt wird:

Step 2 of 2 ×

7-day Free Trial

Google Cloud Fundamentals: Core Infrastructure is part of the larger Architecting with Google Kubernetes Engine Specialization. Your 7-day free trial includes:

- ✓ **Unlimited access to all courses in the Specialization**
Watch lectures, try assignments, participate in discussion forums, and more.
- ✓ **Cancel anytime.**
No penalties - simply cancel before the trial ends if it's not right for you.
- ✓ **€45 per month to continue learning after trial ends.**
Go as fast as you can - the faster you go, the more you save.
- ✓ **Certificate when you complete.**
Share on your resume, LinkedIn, and CV.

6. Somit sind alle Kursinhalte zugreifbar, ohne dafür etwas zu bezahlen, oder eine Kreditkarte zu benötigen.
- Anmerkung: Wenn alle Kurse durchgearbeitet und die Inhalte verstanden und gelernt wurden, könnte man sich für 7 Tage gratis zur Specialization anmelden, und in dieser Zeit auch die Zertifikate erhalten (dazu müssen die Coursera-Prüfungen zu den Inhalten der Kurse bestanden werden), wenn das erwünscht ist.
